**Debter Hereford Farm**

We invite you to be our guest at our farm on Friday, May 17, 2019 starting at 10am, with lunch being served immediately after the sale.

The cows in this sale represent 71 years of us being in the Hereford business.

We are offering all Debter Hereford Farm females born in 2015 and before. This is your opportunity to purchase some of the top Line One genetics in the South.

Our Bull Sales over the past 47 years have been successful. Thanks to the support of our repeat customers and their need for stout Hereford Bulls. Our cow herd has been an important part of our impressive track record on the list of Top Hereford Bull Sales across the US. In our last four bull sales, over 300 bulls have averaged \$5,750.

These cows will sell bred to some of the best Herd Bulls in the Hereford Breed. The calves at side represent the strength of our breeding program.

We have 3 generations working together on a daily basis and the 7th generation of the Debter family living on the original 40 acres.

Our family owned and operated outfit is dedicated to producing outstanding Hereford cattle and taking care of the land!

Sincerely,

The Debter Family
